	(g)	<p><b>What mistake did the HR people realise in recruitment ?</b></p> <p>The HR people realized, mistakes were happening when people were recruited based only on marks. They realised that candidates with 'good marks' were not qualified for 'work'. They also realised that some candidates who scored good marks did so because of good 'memory' rather than intelligence. In some cases, it was just luck. What they studied was asked in the exams.</p>	02
2.	(a)	<p><b>Attempt any <u>THREE</u> of the following :</b></p> <p><b>Narrate the experience of Arunima during Mount Everest Expedition.</b></p> <p><b>Ans:</b> Arunima started her expedition on 1<sup>st</sup> April, 2013. When she entered the death zone- 3500 feet from the top of Mount Everest- the most difficult terrain started. She saw dead bodies of mountaineers scattered all around. A Bangladeshi mountaineer took his last breath in front of her eyes. She was frightened but she kept on moving anyhow. She told herself that neither can she go back from here nor she can die before reaching the summit. Seeing Arunima struggling immensely with the artificial leg, her Sherpa kept on advising her to return back. But she did not give up. She told him that she can't die before conquering Mount Everest. Thereafter, he started motivating her for the rest of the expedition. She reached the summit of Mount Everest on 21<sup>st</sup> May 2013- exactly after 52 days. When Arunima reached the top, everything changed; she raised the Indian tricolour and placed some pictures of her idol Swami Vivekananda next to it.</p>	(12)  04

	(d)	<b>Write a paragraph on 'E-Waste Management'. (75 words)</b> <b>Ans:</b> Electronic waste is a serious problem of the world. Electronic waste from gadgets and devices includes dangerous chemicals like lead, cadmium, beryllium, mercury and brominated flame retardants. When we dispose off gadgets and devices improperly, these hazardous materials have a high risk of polluting the air, contaminating soil and leaching into water sources. Therefore, we need to do 'E-Waste Management'. Every time when we replace one of our electronic devices, it's our responsibility to be sure that our device gets recycled properly and not shipped to third world countries. We should find a responsible e-waste recycler. We can use a Certified E-Waste Recycler through the Basel Action Network (BAN) and give them our gadgets for disposal. We can visit Civic Institutions like local government, schools and universities for additional responsible recycling options. We can <i>also</i> search retail options like Best Buy for proper disposal of gadgets. We can donate our electronics gadgets if it still has life left. (Note: Contents may vary.)	04
