“Development of students through parent teacher contribution_1st Parent-Teacher Meet held by the Department”

17/06/2017:

Head of Department Mr. Shivraj Patil welcomed the parents and explained the current market need also given the stress over students focus shifting from study to other diverting things like mobile, internet, etc. Further he added, ‘How to use mobile & internet in productive way’ & ‘Importance of co-curricular and extracurricular activities in development of student’.

Then senior faculty of department also explained about development students & role of parents in it. The further discussion was done over summer 2017 results. Many parents actively participated in the discussion & given important suggestions. The parents thanked for efforts given by institute and each teacher for developing their ward. Lastly, our departmental coordinator Mrs Pradnya Rane gave vote of thanks & meeting was concluded with breakfast & tea.

EXPERT LECTURES ARRANGED BY PILLAI HOC POLYTECHNIC (CIVIL ENGINEERING DEPARTMENT)

Expert Lectures on different topics were organized by Mechanical Department during the semester:

1. "Entrepreneurship Development & Financial Support"

Mr. Sunil V. Shete addressed the students on the various career opportunities for becoming an entrepreneur and financial support from different organizations and banks. He has given various examples of different businesses in rural areas & funding for them by government.

2. "Solar Energy and Entrepreneurship in Solar"

Two Expert Lectures on Solar Energy and Entrepreneurship in Solar Sector was delivered by Mr. Manindar Singh. He has given information about non-conventional energy resources mainly Solar Energy. As he is working in solar sector he has focused more on future growth in Solar Entrepreneurship during his second interaction with students.

3. "Personality Development"

Ms. Komal Pawar interacted with students on Personality Development. She has given the guidelines regarding how to respond different situations in life with positive attitude. She told the importance of effective communication & proper body language. She also added how to handle the emotions and face the difficulties in life with courage.

"Always listen to experts. They'll tell you what can't be done, and why. Then do it."
