“Development of students through parent teacher contribution_1st Parent-Teacher Meet held by the Department”

15/02/2020:

Head of Department Mr. Shivraj Patil welcomed the parents and discussed regarding **industrial training of the students during the summer**. He also explained the current market needs and also gave stress over students focus shifting from study to other things like mobile, internet, etc.

Then our senior faculty of department also explained about development students & role of parents in it. The further discussion was done over winter 2018 results. Many parents actively participated in the discussion & gave important suggestions. The parents thanked for efforts given by institute and each teacher for developing their ward. Lastly, our departmental coordinator Mrs Pradnya Rane gave vote of thanks & meeting was concluded with breakfast & tea.
